

Chemistry Europe Amplifying Great Science

European Chemical
Societies Publishing

Stop by our
booth #3

Chemistry Europe Symposium Monday, August 29, 9:15 – 12:30 Room #9

- We will celebrate the 10th anniversaries of *ChemistryOpen* and *ChemPlusChem*
- Mark the launch of *Chemistry-Methods* and *Analysis & Sensing*
- And introduce the redesign of *ChemistryViews* on a new platform

Join us for five fascinating talks by top scientists

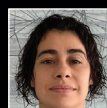

Célia Fonseca-Guerra
Vrije Universiteit Amsterdam

Francesco Ricci
Rome Tor Vergata

Javier García Martínez
Universidad de Alicante
Current President of IUPAC

Anat Milo
Ben Gurion University

Ramón Martínez Mánez
Universitat Politècnica
de València

We look forward to
seeing you in Lisbon
